## POST COLORS

Post colors are now available in four qualities—two silk and two wool, at a wide range of prices within the reach of every American Legion Post. Both grades of silk flags are made to the same rigid specifications and are identical in every respect with the exception of the weight of the silk. Grade 1 flags are made of heavy U. S. Government quality banner silk. Grade 2 flags are made of the same quality silk, identical in appearance but slightly lighter in weight. The equipment, workmanship and appearance of both grades are identical.

Both grades of wool flags are likewise made to the same rigid specifications and are identical in every respect with the exception that the Grade B flag is single thickness instead of double thickness material. Both are made of U. S. Government quality wool bunting.

## STREET FLAG SETS

The proper display of the American flag on legal holidays and other appropriate occasions, is a distinct contribution to Americanism. Many Posts have included the sale of U. S. street flag display sets to their local merchants as a part of their Americanism program. Your Post can undertake this worthwhile program either with or without a profit. These attractive street flag sets are available in several different combinations, with either the U. S. or Legion flag. Each has been specially selected for quality and durability and in addition, each set is specially priced. To facilitate the efforts of your Post in this worthwhile activity, we offer herewith a suggested plan of procedure which can be varied to meet the particular requirements of your Post.

### SUGGESTED PROGRAM

Appoint a special committee of five or more members of your Post to take over the details of inaugurating and carrying out a flag sales program. Teams can be organized to call on each of your local merchants in the business section and offer him a complete flag set, installed. Quotations can be secured in advance for the actual installation of the sidewalk holders and if your Post desires to raise funds for some special activity a nominal amount can be added to the installed cost of each flag set. As in every other campaign, your success will depend entirely upon the thoroughness of your organization, and the individual efforts of your committee which accordingly should be carefully selected.

### SPECIFICATIONS

Flags size three by five feet are best adapted for street display. Likewise, high-grade cotton material is the most practical, because of the limited use to which street flag sets are put. In addition, two types of poles lend themselves best under these circumstances—both two piece, one in wood and the other in steel. In each instance, the sets priced below have been carefully selected, and are specially recommended. However, other combinations will be quoted upon application.

Size  $2\frac{5}{8}$ " x  $2\frac{1}{8}$ ". Available for all Past Post, District, Department and National officers.

PRICE \$2.50 each

This official Past Officers' cap and uniform insignia is an enlarged reproduction of the official Past Officers' lapel button. Beautifully executed in a striking combination of silk embroidery and genuine gold bullion, on a background of gold cloth.

**PAST OFFICERS' CAP REGULATIONS**—Recent cap regulations adopted at the May, 1937, meeting of the National Executive Committee require that all District, Department and National Officers shall, upon retirement, revert to the standard all-blue type of Post cap, with either the Style 1 or Style 2 form of inscription (see page 31), with the official Past Officers' cap insignia of the proper rank applied on the right hand side. As an example, a Department Commander, upon retiring, would discontinue using his special all-white cap, and revert to the all-blue cap, with the official Past Department Commander cap insignia applied on the right hand side. County Officers, however, are authorized to add the word "Past" to the present officers' embroidered title, on the right hand side of the special County cap.

## PRESENT OFFICERS' CAP & UNIFORM INSIGNIA

Size  $3\frac{1}{8}$ " x  $1\frac{1}{8}$ ", each carries the title "Commander," "Vice-Commander," etc., in gold silk embroidery against a background of blue silk, which is the official Post color, and which, therefore, eliminates the necessity of including the word "Post." The edge or border is beautifully done in genuine gold bullion. Every American Legion Post should provide its officers with a set of these attractive Post Officers' cap and uniform insignia.

PRICE \$1.00 each

The official present officers' cap and uniform insignia is beautifully reproduced in a combination of silk embroidery and gold bullion. Each is an enlarged reproduction of the top bar on the standard Post Officers' ceremonial badge. This attractive officers' insignia is available for all Post officers, as follows:

Commander	Vice-Commander	Adjutant
Finance Officer	Treasurer	Chaplain
Judge Advocate	Sergeant-at-Arms	Historian
Service Officer	Athletic Officer	Executive Committee

This type of insignia is made only for present officers, and is not available for Past Officers. The official Past Officers' cap insignia is illustrated at top of this page.

## THE LEGION'S UNIFORM PROGRAM

*...here it is!*

● **EARLY HISTORY**—During the past ten years the question—Shall The American Legion Adopt a Uniform?—has been considered, and debated at length. In the early days, it was the general opinion that the time had not yet arrived for the Legion to adopt a uniform. However, the natural sentiment throughout the organization in favor of a uniform rapidly increased and several years ago a number of individual states designed and officially sponsored a regulation state uniform. As might be expected, there grew out of these several state uniforms a standard design which later was virtually adopted, with but few changes, by a great majority of Departments.

A recent consideration of this important question indicated the wisdom and advisability of a centralized supervision and control of the manufacture and distribution of official uniforms and accordingly at the September, 1936, meeting of the National Executive Committee, adoption of an Official Uniform for national distribution was authorized.

● **THE PLAN**—The procedure approved and adopted provided that the national uniform conform strictly to existing state uniform specifications insofar as state shoulder seals and individual stripings or markings were concerned. It further provided that this Official Uniform was to be distributed exclusively through local retail merchants who could render the special

service necessary and incident to the satisfactory purchase of a uniform. The appointment of local uniform dealers by individual Posts has been simplified by a national advertising campaign to merchants throughout the country. Your local stores all know of the Legion's uniform program and will be particularly receptive to a proposal from your Post.

● **UNIFORM SPECIFICATIONS**—The official Legion uniform is two-piece, consisting of a military style coat with trousers to match.

**DETAILS**—Material— $14\frac{1}{2}$ - $15\frac{1}{2}$ -ounce blue serge—moth-proofed and cold water shrunk. Trimmings—Each uniform furnished complete with state seal on left shoulder, two  $1\frac{1}{4}$ " silk-embroidered American Legion collar emblems, one on each lapel, and gold-plated American Legion uniform buttons, enameled in colors.

**PRICE**: Serge Standard ( $14\frac{1}{2}$ -oz.) \$28.00. Complete with belt as illustrated. Tropical worsted (light weight) \$27.00.

Complete with belt as illustrated.

Note: Caps, metal Post numerals, special embroidery and Sam Browne belt (if desired) small additional cost.

● **CONCLUSION**—It has been said that a uniformed Legionnaire is a permanent Legionnaire. Uniforms will therefore stabilize the membership of your Post. Get back of the national uniform program solidly by immediately appointing your local official uniform dealer and by organizing a Post uniform committee. On the following page we have outlined a suggested uniform plan for your Post which, if followed, will achieve amazing results in even a limited time.

## A UNIFORM PLAN for Your Post...

● Nothing succeeds like success and your first step is to get each of your officers in uniform. This will do more than any other one thing to promote the sale of individual uniforms to your entire membership.

**HOW TO DO IT**—Any one of your local banks through its personal or commercial loan division will be glad to advance the necessary funds to purchase uniforms for your officers and charge only a nominal interest rate. Each officer can make a monthly payment to your Post Finance

Officer who in turn will make monthly payments at the bank in accordance with the prearranged schedule between your Post and the bank. Call on your local banker today, discuss the question with him fully and frankly and without doubt you will have his immediate and complete co-operation.

Once your officers are uniformed, the following suggested procedure for the sale of individual uniforms to your membership will accomplish amazing results:

1. First appoint a local uniform dealer. If necessary, call a special meeting of your Post Executive Committee and make your selection carefully. Remember, the success of your program will depend largely upon the co-operation and assistance of your local uniform dealer.
2. Appoint a Post uniform committee consisting of a chairman and four members whose sole duties will be to work closely with your local dealer and facilitate his efforts in every way.
3. With the co-operation of your local banks, inaugurate uniform savings clubs whereby individual members can make weekly or monthly deposits until cost of the uniform has been accumulated.
4. Publicize your uniform program in every possible way. Local newspapers will gladly co-operate and in many instances local radio stations will assist. From time to time, send a bulletin or a post card to each member of your Post, reporting on the success of your program to date.

**Special Note:** By the terms of the National uniform contract, several Departments have existing contracts of their own which may temporarily except them. If your Post is not informed on this point, write your Department Adjutant or State Uniform Chairman for full details, and discuss with them the importance of immediately designating a uniform dealer for your community.

If your Post has any special problems in connection with its uniform program or if you want additional information, write directly to the Uniform Department, National Headquarters. Your problems will have individual study and special assistance will be rendered promptly and without charge.
